

PTW-N

## PTW pallet trucks with scales

2000 kg

V

### Properties

- Digital read-out unit.
- 4 measurement points in forks.
- Accuracy approximately 0,1% (approx. 2 kg at 2000 kg).
- LED display with 18 mm high digits, scale division 1 kg.
- Power supply: 4 AA penlights.
- Duration of penlights approx. 1 year based on 10 x daily use.
- Steering wheels : polyurethane.
- Fork rollers : polyurethane - tandem.
- Lifting height : 85 - 200 mm.
- Temperature : -10 tot +40° C.
- Automatic power economy mode, to save battery.
- Design according to IP 65 (Nema 4) A30-type.
- Fork width : 180 mm

PTW-NP

### Properties printer

- Printertype : thermal.
- Function : manual paper feed.
- Paper : thermal paper roll, diameter 40 mm.
- Printing speed : 13 lines per second.
- Operating temp. : 0° - 50° C.

type	ref. no.	safe working load (kg)	fork length x width (mm)	weight (kg)
